

DPDPA Training

Online Self Learning Module

DPDPA Employee Sensitization Program

Designed for

- Any Company that wants to create an awareness and sensitize its employees about the DPDPA
- Any individual who wants a quick overview of the DPDPA without the legalese

iadg@arrka.com

THE INDIA DIGITAL PERSONAL DATA PROTECTION ACT (DPDPA) IS HERE

ALL ORGANISATIONS NEED TO COMPLY WITH THE ACT

THE CHALLENGE

All organizations, big or small, have to comply with and implement the DPDPA.

You have to get all your employees, partners and stakeholders to understand what the law is all about and how it impacts your organization.

You need to implement a robust Privacy Program. For that, You have to build a Core Privacy Team and develop Privacy Champions within Business Teams.

However, the domain is complex requiring an understanding of Law, Technology, Data, Processes as well as Business, which is a challenge indeed.

DPDPA Employee Sensitization Program

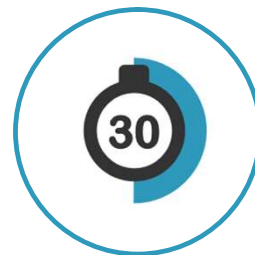

THE SOLUTION – DPDPA Employee Sensitization Program

An Online Self-Learning Specialized Employee training module on the DPDPA

Easy-to-Understand

Simplifies the complexities and covers the CRUX of what the DPDPA is all about in easy to understand, non legal terms.

Short & Simple

A short 35-minute training that brings out the essence of what the law is about and its key facets that impact a business.

Assessment Built-In

The assessment helps the organisation gauge how much the employee has understood the key tenets of the DPDPA.
